Military Record Requests Using Standard Form 180 (SF-180)

Veterans or next-of-kin of deceased veterans can use the online order form at **vetrecs.archives.gov** (or use the SF-180).

1. How to Obtain Standard Form 180 (SF-180) to Request Military Records

There are several ways to obtain an SF-180. You can:

- 1. Download and print a copy of the SF-180 in PDF format.
 - You need access to a printer and the Adobe Acrobat Reader software (see link below). The form is a total of 3 pages.
 - The SF-180 is formatted for letter size paper (8.5" x 11"). If your printer can not accommodate this, select "shrink to fit" when the Adobe Acrobat Reader "Print" dialog box appears.
 - This is also a fillable version of the SF-180. It will allow you to type the needed information into the form using your keyboard. You will still need to print, sign and mail the form. Otherwise, it works the same as stated above.
- 2. Where to Return the Form:
 - Review the tables on page 2 of SF 180 to identify the correct location of the record you need (based on branch of service, dates of separation, and type of record)
 - Send the completed form to the address identified on the table
- 3. Contact Us to order the form through the mail

National Personnel Records Center 9700 Page Avenue St. Louis, Missouri 63132

Other Ways to Obtain the SF-180:

- From Federal Information Centers
- From local Veterans Administration offices
- From veterans service organizations

The SF 180 may be photocopied as needed. Please submit a separate SF 180 for each individual whose records are being requested.

2. Write a Letter to Request Records

If you are not able to obtain SF-180, you may still submit a request for military records. Requests must contain enough information to identify the record among the more than 70 million on file at NPRC (MPR). Certain basic information is needed to locate military service records. This information includes:

- The veteran's complete name used while in service
- Service number or social security number
- Branch of service
- Dates of service
- Date and place of birth may also be helpful, especially if the service number is not known
- If the request pertains to a record that may have been involved in the 1973 fire, also include:
 - Place of discharge
 - Last unit of assignment
 - o Place of entry into the service, if known.

Please submit a separate request (either SF 180 or letter) for each individual whose records are being requested.

Today we must continue to receive requests, dated and with a handwritten signature, either by mail or by fax only. This is because Federal law [5 USC 552a(b)] requires that all requests for records and information be submitted in writing. Each request must be **signed** and **dated**.

You may submit more than one request per envelope or fax, but please submit a separate request (either SF 180 or letter) for each individual whose records are being requested.
