

Student IEP Changes - **NEW DATA PROCESS!**

- A data sheet feature is now turned on in SpEd forms and will ***auto print*** after each IEP PWN ***autofilled***. They can be manually printed too. (Demo)
- **This is replacing the old process of completing a Coop Data - Change Form! No more typing in the info again!**
- Give (or inner-school mail) the sheet to your district MARSS coordinator or designated staff person and highlight changes if they need that.
- CHANGES to an IEP that you should use this process for include a new annual IEP, amendment, exit from SpEd, etc. Use anytime a data element changes.
- Please work together to follow this process. Data is very important for funding.

Special Education data elements are ***important*** and your MARSS people won't know about them.
